# Home support made for your life

accept.care

# More than 25 years helping make everyday moments even better

We always keep people at the centre, and hold true to our values of honesty, compassion, respect and excellence.

---

## Connected

A focus on what matters most to you, from experienced care professionals that take time to know you.

---

## Reliable

Delivering consistent care & support from a loyal team that puts your needs first.

---

## Responsive

Always talk directly with your care team, for faster more responsive care.

---

## Close by

As locals ourselves, we're part of your community, so we're here whenever you need.

## Contact us

 (08) 8251 5186  [info@accept.care](mailto:info@accept.care)

We approach everything we do from the perspective of our clients and based on each person's values, preferences, expressed needs, beliefs and cultural needs, family situation and lifestyle.

Together, we continue to improve lives and everyday moments for older Australians and those living with disabilities.

# Choose services to stay well and happy at home
