For anyone on the
National Waitlist for
Support at Home funding

accept

2 hours free Home Care per fortnight

Free care for up to 12 weeks for those on the national waitlist.

No obligation and no cost.

It's our way of giving back and lending a hand when you or your family might need it most.

Any additional hours of care are offered at discounted rates, but there's no need to take up additional services.

How it works

Step 1

Contact us

We arrange a time to meet with you and discuss your individual situation & care needs.

Step 2

Care assessment

We complete all the necessary health & safety reviews and get you signed up.

Step 3

Getting started

We begin coordinating your fortnightly visits to get you that extra helping hand.

Common questions

Do I pay you back when I get my Home Care funding?

No! This care is totally free, you never have to pay us back.

Do I have to choose you as my Support at Home provider?

No, there is no obligation to sign with us once it is allocated.

Can I access CHSP services at the same time?

Yes. Our free support adds to any other care you are receiving.

Are there cancellation fees?

No, you can cancel any time without costs or penalties.

Do I have to be approved for Support At Home funding?

Yes. You need to be approved and on the waitlist to be eligible.
