Information and Referral Services

Navigating the system and making the application for a Home Care Package can be challenging. We are happy to help you with the application process. It's free and there is no obligation whatsoever.

Home Care Package Coordination

To enable you to receive the maximum assistance through your Home Care Package, Accept Care will allocate you a Care Coordinator. The Care Coordinator will work with you to plan the care and services that you need. Your Care Coordinator will work within a team that has a wealth of experience and knowledge in the Home Care Package environment.

In-home Nursing Care

Accept Care's registered and enrolled nurses can meet many of your healthcare needs in the comfort of your own home, saving extra trips to your doctor or the hospital. Our nursing team will collaborate with you, as well as other healthcare professionals when necessary, to help you maintain optimal health.

Personal Care and Daily Living Tasks

Boost your wellbeing by starting the day feeling refreshed and confident! If you are finding it hard to manage your day-to-day personal care alone, we could arrange for one of our qualified and friendly staff to assist you with showering, toileting, dressing, mobility, continence management or staying on top of your medication schedule, so you can remain living independently and with confidence in your own home.

Our Services

Domestic Assistance and Meals

Get the support you need to keep your home just as you like it, and to continue eating delicious, nutritious meals! We can make your life easier by helping with a variety of chores around your home, such as cleaning, washing, ironing, vacuuming or mopping. We can also assist with gardening and home maintenance tasks, such as mowing the lawn, changing light bulbs or fixing door handles. Our friendly support workers can also take you grocery shopping and help to prepare your meals, taking into consideration your dietary requirements and any cultural or religious needs.

Transport Assistance and Social Support

Getting out and about in the community gives you the opportunity to meet new people, interact with friends and socialise with others. A foundation for wellbeing. At Accept Care we can provide safe and comfortable transport and a companion to take you to outings, medical appointments and social activities. It's important to stay connected and engaged with your community.

Transition Care

It can be hard readjusting to life at home alone after a bout of illness or an accident. To maintain independence at these times, some extra support is needed. After a hospital admission, our transition care services will assist to support and improve your independence and confidence to recover in the comfort of your own home rather than entering a residential or rehabilitation facility.

Respite

Respite Care gives your carer(s) a well needed break, to help them restore their energy, reduce stress and keep their life in balance – which means they will be better able to care for you when you need it. Whether it's a few hours a week to run errands, a weekend off here and there, or time to take a holiday, Accept Care can provide help and support either at home or out and about. Our friendly staff will care for you in a kind and considerate way, giving you and your loved ones peace of mind.

Palliative Care

Palliative care is a specialised approach to easing pain for people with serious or life threatening illnesses. In collaboration with our partner organisations, Accept Care can improve the quality of life for both yourself and your family so you gain the strength to carry on. We assist and liaise with all involved to develop a tailored plan that gives you more control over your care by improving your understanding of your choices for treatment.

Other Services We Can Provide

Accept Care is committed to creating holistic solutions for our clients. We partner with an extensive, established network of top quality service providers to advise and assist with a range of other services. For more information, visit our website www.accept.care.
